

On-Line Evaluation

The final diploma **located in IOWHE University database** and it is **visible by a link**. This diploma can be viewed by a link that will be sent to you by email only.

On-line Diploma has not a hard copy via us

and naturally,

without obtaining legalization and attestation by any government.

On-line evaluation is a method for assessing your knowledge based on receiving the documents that you provide for the assessment and sending them by email for us.

In fact, this kind of diploma is just for your awareness of your sciences status.
