

EEbD

EEbD® (Experience Evaluation becomes Degree) is a **University Degree based on Experience Evaluation** and needs the documents of your experience that it's provided based on your jobs in past years. For starting in this method of evaluation, you should have a "High School Diploma" in any intermediate courses or subject)

EEbD is available in Beta and Alpha level both.

It means that bachelor, post graduate and doctoral degrees are available at both of levels.
