

REbD

REbD® (Research Evaluation becomes Degree) is a **University Degree based on Research Evaluation** and needs the summary of

your thesis that it's provided based on your research.

For starting in this method of evaluation, you should have a "Bachelor Degree" in any university courses or subject)

REbD is available in Beta and Alpha level both.

It means that post graduate and doctoral degrees are available at both of levels.

[Necessary Forms & Information - English](#)

[Other Language](#)

.Note.

REbD is NOT available in "MEDICAL" courses / subject.
